Registration Now Open for Brighton Street Boys & Girls Club

There's no place like the Club! Boys & Girls Clubs of La Porte County (BGCLPC) is now accepting online registrations for its newest Club, located at the Brighton Street Green Space in La Porte, Indiana.

BGCLPC is a nonprofit youth development organization operating afterschool Clubs at 8 locations throughout Michigan City, La Porte, Westville and Kingsford Heights, in addition to a popular summer camp. Other La Porte sites include Lincoln Elementary School and the Kesling Intermediate School/La Porte Middle School campus. All BGCLPC programs are offered completely free of charge to ensure accessibility.

At the Brighton Street Club, children in kindergarten through fourth grades will enjoy afterschool snacks, academic support, physical activities, arts & crafts and much more from 3:15 PM to 6:00 PM, Monday through Friday. This Club will operate seasonally from March through May, and reopen when school resumes in August.

The Brighton Street Club's unique location allows community service opportunities at the onsite gardens, access to a weekly community dinner at the nearby Pax Center and regular visits from the La Porte County Public Library. BGCLPC's Phase II Expansion is made possible thanks in part to support from the Healthcare Foundation of La Porte.

"The Brighton Street Club will allow us to bring together children from all over La Porte during afterschool hours," says Michelle Shirk, BGCLPC Chief Executive Officer. "Our team can't wait to see our newest Club members laughing, learning and making friends. We have a very exciting programming plan and are ready to get started!"

Families with children in kindergarten through fourth grades can begin their Brighton Street Club membership journey by completing an online pre-registration form at <https://www.bgclpc.org/registration/>. For La Porte families with middle school aged children, space is also available at the Kesling Club. Questions? Please contact BGCLC's administrative team at (219) 873-2298.

Boys & Girls Clubs of La Porte County is a member of Boys & Girls Clubs of America, a nationwide affiliation of 4,100 autonomous Club organizations.
